

ESSAY WRITING TASK:

Present an argument in favour of or against the following opinion:

Climate change is the biggest global issue today. Governments and individuals must change their behaviour dramatically to ensure a sustainable future, even if it means imposing legal restrictions on human activity.

Please use relevant facts, ideas and examples.

You may use the topic ideas below to support your argument if you choose.

Topic ideas:

- Priorities
- Restrictions
- Freedom of choice
- Responsibility

You should write **at least 300 words**. Type your response in the box below.

You have **85 minutes** for this task. If the time runs out before you complete your essay, whatever you have typed will be automatically submitted as your final response.
